This month's program:

"DREAM BIG"

I seem to get inspiration for KIP CLUB programs just about every time I turn around! This month is no different. I took a couple ideas and created what I hope to be one fun and exciting event.

For many, January is all about starting fresh, setting goals and thinking about our dreams for the future. It is also the month we reflect on "the dream" of Martin Luther King Jr. With all the signs pointing to dreams and goals, I was reminded of Roald Dahl's book The BFG. In the story, a big friendly giant catches dreams and puts them in jars. He actually had a whole collection of them! What a novel idea, collecting dreams... ☺ In KIP CLUB this month, each child will create their very own dream jar! I am so excited to hear about the goals and dreams they have for the future, and to see all the creativity they put into decorating their special jars!

Please note that all after school library programs require pre-registration. Please complete the attached form if your child plans to attend a program!
