This month's program:

"SPRING FEVER"

Miss. Taniesha is really looking forward to setting the clocks ahead, celebrating St. Patrick's Day and counting down to the official first day of spring! With all these things happening in March, hopefully we will start to see more sunshine and rainbows instead of snow and ice! In KIP CLUB this month we will be reading stories and making crafts to celebrate that spring is on its way! (Even if it is happening slowly... it will come!)

March 10 = Daylight Saving Time Starts

March 17 = St. Patrick's Day

March 20 = Spring Equinox

Please note that all after school library programs require pre-registration. Please complete the attached form if your child plans to attend a program!
